Afternoon Adventures

SUMMER 2023

Important Information Needed to Plan Your Afternoon Adventures
Including Adventure Descriptions, Best Practices, and Sample Schedules

WELCOME

April 2023

Greetings Detectives,

Resica Falls continually prides itself on new and innovative program development, and the Afternoon Adventures are newest program feature of the summer. This new Open Program model will give a Scout and their buddy, a patrol, or the whole unit the opportunity to explore the exciting and unique non-advancement offerings at Camp Big Springs. By allocating a portion of the schedule to be primarily for those programs that aren't merit badges, we can now introduce new and exciting opportunities for our campers on a regular basis. With Advancement being only one of Scouting's methods, we can now deliver program that encourages using a wider array of the Methods of Scouting while providing a high-level of choice for each Scout, patrol, and unit!

What's New in 2023

With this program introduced in 2022, there was plenty of opportunity to tweak and make adjustments to the programs offered, including:

- Advance sign-up for Key Adventures that have a high level of interest and excitement for troops and patrols (more details on page 12).
- New adventures to highlight and maximize the abilities of our staff and the interests of our campers.
- Limited afternoon merit badge sessions for those that have a high-level of focus on advancement.

How It Will Work?

Participation in the Afternoon Adventures will take some advance planning on the part of the unit and Scouts coming to camp this summer. Units will review the offerings in this guide and discuss options during unit meetings leading up to your stay in camp. Your unit will sign up for their Key Adventure on May 1st to give your schedule a focal point. Once in camp, the Senior Patrol Leader of each unit will meet with our Program Team on Sunday evening to sign your Scouts and units up for the activities they want to participate in. **LARGER TROOPS SHOULD SEND MULTIPLE YOUTH REPRESENTATIVES TO THIS MEETING.** Have your selections ready and start scheduling your week. Select a few alternatives, just in case - BE PREPARED is the Scout Motto after all!

If you have any questions related to Afternoon Adventures in the weeks leading up to camp, be sure to reach out to us at the email addresses below. We'll be happy to help guide you and your unit through the process to help ensure that this new program experience is an enjoyable experience for all. For more information relating to the wider camp program and summer camp as a whole, be sure to check out our 2022 Program Guide and other details at resicafalls.org. See you in camp!

Yours in Scouting,

DETAILS & DESCRIPTIONS

Schedule

Afternoon Adventures will take place on Monday, Tuesday, Thursday, and Friday afternoons. Multiple program areas will host a variety of programs, outlined in this guide, across three periods - **2:15pm-3:00pm**, **3:15pm-4:00pm**, and **4:15pm-5:00pm**. Scouts, patrols, and units will have the opportunity to participate in as many as 12 different adventures during your week in camp. Some activities may take more than one period to complete, and will be noted as such in that activity's description. While most adventures will be offered continuously throughout the week, not all adventures will be offered every day and at every time slot.

On Sunday evening at 7:30pm, Senior Patrol Leaders and other youth leaders will meet in the Dining Hall with our Program Team and area directors to sign-up for these activities.

Adventure Descriptions

Each Afternoon Adventure will have as part of its description symbols noting which size group the adventure can accommodate. A triangle (▲) will be used for those adventures designed for a Scout and their buddy. A square (■) will be used for those adventures which are more patrol oriented. A circle (●) will be used as part of the description for adventures meant for the whole troop to participate in. Some adventures will have multiple symbols, which means that adventure can accommodate multiple-sized groups. Afternoon Adventures are sorted by the program area that will be hosting the adventure. In addition, those adventures with a star (★) indicate it as a Key Adventure with advanced sign-up opportunities.

Advance Sign-up for Key Adventures

New for 2023, we are excited to offer the opportunity for each unit to sign-up for one adventure before you arrive at camp - your Key Adventure. With this activity secured, your unit will be able to plan the rest of the week in camp around this feature program and work to ensure that you experience all the adventure that awaits at Resica Falls. As a reminder, Afternoon Adventures are offered on Monday, Tuesday, Thursday, and Friday each week.

Those adventures that will be available for advanced sign-up are:

Archery Shooting (32 people) - 1 hour long session/3 shoots per day

Cool Dip Trip (65 people) - 2 trips per day

Delaware River Canoe Trip (36 people) - 1 trip per day

Escape Room (8 people) - 1 hour long session/3 sessions per day

Fossil Rock (60 people) - 2 trips per day

Little Falls (40 people) - 2 trips per day

Rifle/Shotgun Shooting (32 people) - 1 hour long session/3 shoots per day

On May 1st, 2023, your unit contact for summer camp will receive a link to sign-up for the Key Adventure of your choosing via a Google Form. Adventure sign-ups will be based on a first come, first serve basis. A couple of important things to note about your Key Adventure Sign-up:

- Each unit will be able to sign-up for one Key Adventure during the pre-camp sign-up period.
- Its very important to have more than one Key Adventure chosen in case your unit's first choice is already selected.
- Be sure to be flexible with the day and time during the week that you want to participate in your Key Adventure.
- Once we arrive in camp, your unit will be able to sign-up for the rest of your afternoon adventures, including any unclaimed Key Adventures!

As you prepare for your stay in camp and plan for your Afternoon Adventures, it is extremely important to have the Senior Patrol, Patrol Leaders, and Patrol Leaders Council select the activities that are going to interest the Scouts in the unit the most, and foster in them a sense of pride, ownership, and leadership in being responsible for this major piece of their summer camp experience!

"Adventure Awaits!"
