

**Welcome to the Resica Falls Olympic Village!**

Join us on Tuesday night on the Parade Field for the ultimate gathering of camp and unit camaraderie at the Resica Falls Olympic Village. After choosing a country from the below list, units will come together and showcase the culture of their chosen country. This can be done through a game, activity, cuisine, or other project your unit develops. After signing up for your country on May 15, 2024, take some time to research your country and prepare your activity to ensure all members of your unit can get involved. While camp has a limited number of supplies available, we ask that units contribute a majority of their needs for their stations. Whether your unit makes a dish representing your chosen country, or captivates camp with a game, we look forward to seeing the showcase of cultures at camp this summer! If you have any questions, please contact Program Director, Anthony Glass, at [anthony.glass@resicafalls.org](mailto:anthony.glass@resicafalls.org) and Commissioner, Will Beardsley, at [william.beardsley@resicafalls.org](mailto:william.beardsley@resicafalls.org)!

In the Spirit of the Olympics! Citius, Altius, Fortius – Communiter (Faster, Higher, Stronger-Together)
