

# Own Your Home

## *Supporting Our Units That Call Resica Falls Home*

From the heart of Philadelphia to as far west as Oklahoma, we're proud that units from across the country call Resica Falls their home camp. We're excited to show our support to the units that have supported us year after year. The Own You Home program is designed to help our most loyal units experience the best camp has to offer. Own Your Home consists of 3 parts:

### ***Recognize Your Own***

We know that unit leaders are the glue that keeps units together. Units in the Own Your Home program will receive an additional free leader during their week in camp in 2025. Use this spot to recognize a leader in your unit that goes above and beyond!

---

### ***Make It Yours***

While we can all agree that summer camp is an amazing experience, it's also very personal. In 2025, participants in the Own Your Home program will be able to designate \$10 of their camp fee to one of 2 projects in camp, and in doing so support a part of camp that truly makes it yours. For 2025 these projects are:

**Get Around!** Camp terrain isn't always the most friendly of places to get around. Help us embrace scouting for all by supporting the purchase of a new golf cart to be used throughout the summer to help transport those who might need a little more assistance getting from place to place.

**Upgrade Your Home!** The campsite is truly the heart of camp and serves as your home away from home during your stay in camp. This project will focus on expanding the number of campsites with electricity and improving other in-site amenities.

---

### ***Call It Home***

Help your scouts get comfortable calling camp home. Units participating in the Own Your Home program are invited to join us in camp for a free weekend of tent camping in the spring of 2025. Our campmasters will be happy to provide tours of camp and answer any of your questions. Bring your Webelos crossovers for this free weekend of camping to help them get more familiar with Resica Falls.

To participate in the Own Your Home program, your unit must have participated in summer camp at Resica Falls in 2024 and register for the 2025 summer by December 15, 2024.
